FILE: Shoreline Master Program Periodic Update – 2021

PROPOSAL DESCRIPTION: Environmental review of the draft amendments to the Shoreline Master Program (SMP) for the periodic update as required by RCW 90.58. The proposed amendments include updates to Spokane Valley Municipal Code (SVMC) Chapter 21.50 to maintain consistency with changes in state law.

APPLICANT/OWNER: Spokane Valley/Citywide.

PROPOSAL LOCATIONS: The amendments are a non-project action. The SMP applies to all shorelines of the state with Spokane Valley and all areas 200 feet landward of the Ordinary High Water Mark of the Spokane River and Shelly Lake.

LEAD AGENCY: City of Spokane Valley.

DETERMINATION: Determination of Non-Significance is issued under Washington Administrative Code (WAC) 197-11-340(2); the lead agency will not act on this proposal for 14 days from the date issued. Comments must be received by 5:00 p.m. on February 26, 2021. Pursuant to Title 21, Environmental Controls of the Spokane Valley Municipal Code (SVMC), the lead agency has determined that it does not have a probable significant adverse impact on the environment. An Environmental Impact Statement is not required under Revised Code of Washington 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.
