

**Notice of Remote Public Hearing, Joint Local/State Public Comment Period and SEPA Determination
City of Spokane Valley
Shoreline Master Program Periodic Review Amendments**

Date Issued: February 12, 2021

The City of Spokane Valley and Washington State Department of Ecology (Ecology) are accepting comments on a periodic review of the City of Spokane Valley's Shoreline Master Program (SMP) under RCW 90.58.080(4). The City has prepared draft SMP amendments to keep the SMP current with changes in state law. Public comment will be accepted from February 12, 2021 through March 12, 2021, 5:00 p.m. A joint public hearing is set for March 11, 2021 at 6:00 p.m. Comments may be submitted to staff contact listed below or by participating in the public hearing.

Hearing Date and Time: March 11, 2021 beginning at 6:00 p.m.

Zoom Meeting Details: Due to the restrictions on public gatherings arising from the covid-19 outbreak, and pursuant to Governor Inslee's Stay Home, Stay Healthy Proclamation (No. 20-25) and Proclamation 20-28 (and associated extensions), the hearing will be conducted remotely using web and telephone conference tools. A link to the Zoom meeting will be provided on the Planning Commission's agenda and posted to the City's webpage: www.spokanevalley.org/planningcommission.

Hearing Body: Spokane Valley Planning Commission will hold a public hearing to receive public comment on the proposed Shoreline Master Program (SMP) amendments.

Staff Contact: Chaz Bates, cbates@spoknaevalley.org, or City of Spokane Valley, Attn Chaz Bates, 10210 E Sprague Ave. Spokane Valley, WA 99206. Comments sent to the City will be forwarded to the Dept. of Ecology.

Documents Available: Proposed amendments to the City's SMP are available for review at www.spokanevalley.org/SMP.

SEPA Determination: Pursuant to Title 21 (Environmental Controls) of the Spokane Valley Municipal Code (SVMC), the City of Spokane Valley, the lead agency, has determined that the amendments do not have a probable significant adverse impact on the environment. An Environmental Impact Statement is not required under Revised Code of Washington 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist, the application, SVMC Titles 19, 21 and 22, site assessment, and comments from the public and affected agencies. This information is available to the public on request.

This DNS is issued under Washington Administrative Code 197-11-340(2); the lead agency will not act on the proposal for at least 30 days from the date above.

Appeal: An appeal of SEPA determination shall be submitted to the City of Spokane Valley within fourteen (14) calendar days after the date issued. The appeal must be written and make specific factual objections to the City's threshold determination. Appeals shall be conducted in conformance with Section 17.90 (Appeals) of the SVMC, and any required fees pursuant to the City's adopted Fee Schedule shall be paid at time of appeal submittal. Pursuant to Section 21.20.150 of the SVMC, appeals shall be limited to a review of a final threshold determination.
