Hi Mrs. Barlow,

I live in the Midilome neighborhood right next to where the Painted Hills development is to take place. My concerns are the following:

- 1) the flood risks
- 2) the increase in population in our school district (we just rebuilt Chester to accommodate our current population)
- 3) the increase in traffic
- 4) increase in crime (we have already seen an increase with the apartment complexes that have grown rapidly)

Please consider these concerns when weighing your decision and think if this were your neighborhood, what would you do. Thank you for taking the time to read my email and hear my thoughts.

Sincerely,
Carla Hibbs
