I'm 81 yrs old writing (No Computer) (No E-mail) to state my displeasure with what they want to do to this previous Golf Course. I played at that Course many times before I could not play anymore. This City of Spokane Valley used to be a great place to live. I retired from the City of Spokane in 1987 (not of my choosing). I then moved in 2000 to the Greenaches area and back then it was a good place. Farms, Gardens, veg. Stands & farm on streets. Then the idiots decided to make a city out of it and how things changed. I won't go into more detail but our City Council does NOT need to be here & the NEW Dump doesn't either. What a waste of money!!

we don't need hundreds of heavy trucks over used up road & etc. please Count me in AGAINST this dumb proposal & that's not counting the amount of housing units we don't need - put them in Airway Heights!!

Sincerely
Robert (Bob) Hoagland

Make it another Golf Course!!!
